SCHOOL PLANS/SITE COUNCILS

The Governing Board believes that comprehensive planning at each district school is necessary in order to focus school improvement efforts on student academic achievement and facilitate the effective use of district resources. The Superintendent or designee shall ensure that school plans provide clear direction and identify cohesive strategies aligned with school and district goals.

For any school that participates in specified state and/or federal categorical programs, the school site council or other schoolwide advisory committee shall consolidate the plans required for those categorical programs into a single plan for student achievement (SPSA). (Education Code 52055.755, 64001)

Single Plan for Student Achievement

The Superintendent or designee shall review each school's single plan and ensure that it has been developed and approved by a properly constituted school site council, meets the content requirements for all programs included, is based on an analysis of current practices and student academic performance, and reasonably links improvement strategies to identified needs of the school and students. He/she shall submit to the Board of Trustees his/her recommendations for plan approval or recommendations regarding any subsequent material revisions of the plan.

As appropriate, a school may incorporate any other school plan into the SPSA. (Education Code 64001)

The Superintendent or designee shall review each school's SPSA to ensure that it meets the content requirements for all programs included, is based on an analysis of current practices and student academic performance, and reasonably links improvement strategies to identified needs of the school and students. He/she shall submit to the Board his/her recommendations for plan approval or revision.

The Board shall review and approve each school's SPSA and any subsequent material revisions affecting the academic programs for students participating in the categorical programs addressed in the SPSA. The Board shall certify that, to the extent allowable under federal law, the SPSA is consistent with district local improvement plans required as a condition of receiving federal funding. Any such review and approval shall be at a regularly scheduled Board meeting. (Education Code 64001)

Whenever the Board does not approve a school's SPSA, it shall communicate its specific reasons for disapproval of the plan to the school site council or committee. The school site council or committee shall then revise and resubmit the SPSA to the Board for its approval.

The Superintendent or designee shall ensure that school administrators and school site council members receive training on the roles and responsibilities of the site council.

SCHOOL PLANS/SITE COUNCILS

Cautionary Notice: As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009), ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), and SB 70 (Ch. 7, Statutes of 2011), Education Code 42605 grants districts flexibility in "Tier 3" categorical programs. The Evergreen School District has accepted this flexibility and thus is deemed in compliance with the statutory or regulatory program and funding requirements for these programs for the 2008-09 through 2014-15 fiscal years. As a result, the district may temporarily suspend certain provisions of the following policy or regulation that reflect these requirements. For further information, please contact the Superintendent or designee.

School Site Councils

When required for participation in any categorical program, each district school shall establish a school site council or advisory committee. (Education Code 41507, 41572, 52852, 64001)

The school site council shall be composed of the following: (Education Code 41507, 41572, 52852)

For elementary school site councils, the remaining half shall be parents/guardians or parent/guardian representatives. For secondary school site councils, the remaining half shall be equal numbers of parents/guardians (or parent/guardian representatives) and students. (Education Code 41507, 41572, 52852)

A district employee may serve as a parent/guardian representative on the site council of the school his/her child attends, provided the employee does not work at that school. (Education Code 52852)

School site councils may function on behalf of other committees in accordance with law. (Education Code 52176, 52870, 54425; 5 CCR 3932)
SCHOOL PLANS/SITE COUNCILS (continued)

If the school does not have a school site council, a schoolwide advisory group or school support group conforming to the composition requirements of the school site council listed above shall fulfill these responsibilities. (Education Code 41507, 41572, 52055.755, 64001)

The single plan for student achievement shall be aligned with school goals for improving student achievement and shall be based on an analysis of verifiable state data, including the Academic Performance Index (API) and the California English Language Development Test (CELDT), and any other data voluntarily developed by the district to measure student achievement. (Education Code 64001)

The plan shall, at a minimum: (Education Code 64001)

3. Identify how state and federal law governing these programs will be implemented

In addition to meeting the requirements common to all applicable school plans, the single plan shall address the content required by law for each individual categorical program in which the school participates.

Plans developed for the state's Immediate Intervention/Underperforming Schools Program pursuant to Education Code 52054 or the federal Title I schoolwide programs pursuant to 20 USC 6314 shall satisfy the requirement for the single plan. (Education Code 64001)
SCHOOL PLANS/SITE COUNCILS (continued)

In developing or revising the single plan, the school site council shall:

1. Measure the effectiveness of current improvement strategies at the school

SCHOOL-BASED PROGRAM COORDINATION

Cautionary Notice: As added and amended by SBX3 4 (Ch. 12, Third Extraordinary Session, Statutes of 2009), ABX4 2 (Ch. 2, Fourth Extraordinary Session, Statutes of 2009), and SB 70 (Ch. 7, Statutes of 2011), Education Code 42605 grants districts flexibility in "Tier 3" categorical programs. The Evergreen School District has accepted this flexibility and thus is deemed in compliance with the statutory or regulatory program and funding requirements for these programs for the 2008-09 through 2014-15 fiscal years. As a result, the district may temporarily suspend certain provisions of the following policy or regulation that reflect these requirements. For further information, please contact the Superintendent or designee.

In order to best serve students with special needs and students participating in designated educational programs, the Board of Trustees encourages school-based program coordination as a means for achieving flexibility in the use of the categorical funds received by each school. The Board believes that resources acquired to assist students in one program often can benefit other students without in any way depriving the originally targeted group.

A school site council shall be established at each school to consider whether or not it wishes the school to participate in school-based program coordination. All interested persons shall have an opportunity to meet in public to establish the site council. (Education Code 52852.5)

The school site council of any participating school shall develop, for approval by the Board, a school plan that addresses the components specified in Education Code 52853. This plan shall be incorporated into the school's single plan for student achievement required for the state's consolidated application process. (Education Code 52853, 64001)

Evaluation of each participating school's educational program shall include an assessment of the school's effectiveness in meeting the needs of each student population originally targeted by the categorical programs.

EVERGREEN SCHOOL DISTRICT
San Jose, California
The Board of Trustees recognizes that charter schools may assist the district in offering diverse learning opportunities for district students. In considering any petition to establish a charter school within the district, the Board shall give careful consideration to the potential of the charter school to provide students with a high-quality education that enables them to achieve to their fullest potential.

One or more persons may submit a petition for a start-up charter school to be established within the district. In addition, an existing district school may be converted to a charter school when deemed beneficial by the district and community or when state or federal law requires restructuring of the school because of low performance.

Any petition for a start-up charter school or conversion charter school shall include all components and signatures required by law and shall be submitted to the Board.

The Superintendent or designee may work with charter school petitioners prior to the formal submission of the petition in order to ensure compliance of the petition with legal requirements. As needed, he/she also may meet with the petitioners to establish workable plans for technical assistance or contracted services which the district may provide to the proposed charter school.

Within 30 days of receiving a petition to establish a charter school, the Board shall hold a public hearing to determine the level of support for the petition by teachers, other employees of the district, and parents/guardians. (Education Code 47605)

Within 60 days of receiving a petition, or within 90 days with mutual consent of the petitioners and the Board, the Board shall either approve or deny the request to establish the charter school. (Education Code 47605)

The approval or denial of a charter petition shall not be controlled by collective bargaining agreements nor subject to review or regulation by the Public Employment Relations Board. (Education Code 47611.5)

Approval of Petition

The Board shall approve the charter petition if doing so is consistent with sound educational practice. In granting charters, the Board shall give preference to schools best able to provide comprehensive learning experiences for academically low-achieving students according to standards established by the California Department of Education (CDE) under Education Code 54032. (Education Code 47605)

The Board may initially grant a charter for a specified term not to exceed five years. (Education Code 47607)
CHARTER SCHOOL AUTHORIZATION  (continued)

The Board shall ensure that any approved charter contains adequate processes and measures for holding the school accountable for fulfilling the terms of its charter. These shall include, but not be limited to, fiscal accountability systems, multiple measures for evaluating the educational program, and regular reports to the Board.

The district shall not require any district student to attend the charter school nor shall it require any district employee to work at the charter school. (Education Code 47605)

The Board may approve one or more memoranda of understanding to clarify the financial and operational agreements between the district and the charter school. Any such memorandum of understanding shall be annually reviewed by the Board and charter school governing body and amended as necessary.

It shall be the responsibility of the petitioners to provide written notice of the Board's approval and a copy of the charter to the County Superintendent of Schools, the CDE, and the State Board of Education (SBE). (Education Code 47605)

Denial of Petition

The Board shall deny any petition to authorize the conversion of a private school to a charter school or that proposes to serve students in a grade level that is not served by the district, unless the petition proposes to serve students in all the grade levels served by the district. (Education Code 47602, 47605; 5 CCR 11965)

Any other charter petition shall be denied only if the Board presents written factual findings specific to the petition that one or more of the following conditions exist: (Education Code 47605)

1. The charter school presents an unsound educational program for the students to be enrolled in the charter school.
2. The petitioners are demonstrably unlikely to successfully implement the program set forth in the petition.
3. The petition does not contain the number of signatures required.
4. The petition does not contain an affirmation of each of the conditions described in Education Code 47605(d).
5. The petition does not contain reasonably comprehensive descriptions of the charter provisions in Education Code 47605(b).
CHARTER SCHOOL AUTHORIZATION  (continued)

The Board shall not deny a petition based on the actual or potential costs of serving students with disabilities, nor shall it deny a petition solely because the charter school might enroll disabled students who reside outside the special education local plan area in which the district participates. (Education Code 47605.7, 47647)

If the Board denies a petition, the petitioners may choose to submit the petition to the County Board of Education and, if then denied by the County Board, to the SBE. (Education Code 47605)

COMPREHENSIVE LOCAL PLAN FOR SPECIAL EDUCATION

Definitions

Free appropriate public education (FAPE) means special education and related services that are provided at public expense, under public supervision and direction, and without charge; meet the standards of the California Department of Education, including the requirements of 34 CFR 300.1-300.818; include appropriate preschool, elementary school, or secondary school education for individuals between the ages of 3 and 21; and are provided in conformity with an individualized education program (IEP) that meets the requirements of 34 CFR 300.320-300.324.

FAPE applies to students who are suspended or expelled or placed by the district in a nonpublic, nonsectarian school.

Least restrictive environment means that, to the maximum extent appropriate, students with disabilities, including individuals in public or private institutions or other care facilities, be educated with individuals who are nondisabled, including the provision of nonacademic and extracurricular services and activities. Special classes, separate schooling, or other removal of students with disabilities from the regular educational environment occurs only if the nature or severity of the disability is such that education in the regular classes with the use of supplementary aids and services cannot be achieved satisfactorily.

Special education means specially designed instruction, provided at no cost to the parent/guardian, to meet the unique needs of individuals with disabilities including a full continuum of program options including instruction conducted in the classroom, in the home, in hospitals and institutions, and other settings, and instruction in physical education to meet the educational and service needs in the least restrictive environment.

Special education may include each of the following if the services otherwise meet the definition in the above paragraph:

1. Speech language pathology services, or any other designated instruction and service or related service, pursuant to Education Code 56363, if the service is considered special education rather than designated instruction and service or related service under state standards

2. Travel training

3. Career technical education

4. Transition services for students with disabilities in accordance with 34 CFR 300.43 if provided as specially designed instruction, or a related service, if required to assist a student with disabilities to benefit from special education
**Specially designed instruction** means adapting the content, methodology, or delivery of instruction to address the unique needs of the student that result from the student's disability and to ensure access of the student to the general curriculum, so that the student can meet the educational standards that apply to all students in the district.

**Surrogate parent** means an individual assigned to act as a surrogate for the parent/guardian. The surrogate may represent an individual with disabilities in matters relating to identification, assessment, instructional planning and development, educational placement, reviewing and revising the IEP, and in other matters relating to the provision of FAPE to the individual with disability.

**Elements of the Local Plan**

The local plan developed by the special education local plan area (SELPA) shall include, but not be limited to, the following: (Education Code 56205, 56206)

1. Assurances that policies, procedures, and programs, consistent with state law, regulation, and policy, are in effect as specified in Education Code 56205(a)(1-22) and in conformity with 20 USC 1412(a), 20 USC 1413(a)(1), and 34 CFR 300.201

2. An annual budget plan and annual service plan adopted at a public hearing held by the SELPA

3. A description of programs for early childhood special education from birth through five years of age

4. A description of the method by which members of the public, including parents/guardians of individuals with disabilities who are receiving services under the plan, may address questions or concerns pursuant to Education Code 56205

5. A description of a dispute resolution process

6. Verification that the plan has been reviewed by the community advisory committee in accordance with Education Code 56205

7. A description of the process being utilized to refer students for special education instruction pursuant to Education Code 56303

8. A description of the process being utilized to oversee and evaluate placements in nonpublic, nonsectarian schools and the method for ensuring that all requirements of each student's IEP are being met
COMPREHENSIVE LOCAL PLAN FOR SPECIAL EDUCATION  (continued)

9. A description of how specialized equipment and services will be distributed within the local plan area in a manner that minimizes the necessity to serve students in isolated sites and maximizes the opportunities to serve students in the least restrictive environment.

The local plan, annual budget plan, and annual service plan shall be written in language that is understandable to the general public.

Each entity providing special education shall adopt policies for the programs and services it operates, consistent with agreements adopted pursuant to Education Code 56195.1 and 56195.7. (Education Code 56195.8)

Philosophy, Goals, Objectives, and Comprehensive Plans

LOCAL CONTROL AND ACCOUNTABILITY PLAN

The Board of Trustees desires to ensure the most effective use of available state funding to improve outcomes for all students. A community-based, comprehensive, data-driven planning process shall be used to identify annual goals and specific actions aligned with state and local priorities and to facilitate continuous improvement of district practices.

The Board shall adopt a districtwide local control and accountability plan (LCAP), using the template provided by the State Board of Education, which addresses the state priorities specified in Education Code 52060. The LCAP shall be effective for three years and shall be updated on or before July 1 of each year. (Education Code 52060)

In addition, the LCAP shall address any local priorities adopted by the Board.

The LCAP shall focus on improving outcomes for all students, particularly those who are "unduplicated students" and other underperforming students. Unduplicated students include students who are eligible for free or reduced-price meals, English learners, and foster youth and are counted only once for purposes of the local control funding formula. (Education Code 42238.02)

To minimize duplication of effort and provide clear direction for program implementation, the LCAP and other district and school plans shall be aligned to the extent possible.

The Superintendent or designee shall review the single plan for student achievement (SPSA) submitted by each district school pursuant to Education Code 64001 to ensure that the specific actions included in the LCAP or the annual update are consistent with strategies included in the SPSA. (Education Code 52062)

Any complaint that the district has not complied with legal requirements pertaining to the LCAP may be filed pursuant to AR 1312.3 - Uniform Complaint Procedures. (Education Code 52075)

Plan Development

The Superintendent or designee shall gather data and information needed for effective and meaningful plan development and present it to the Board and community. Such data and information shall include, but not be limited to, data regarding the numbers of students in various student subgroups, disaggregated data on student achievement levels, and information about current programs and expenditures.

The Board shall consult with teachers, principals, administrators, other school personnel, employee bargaining units, parents/guardians, and students in developing the LCAP. (Education Code 52060)
LOCAL CONTROL AND ACCOUNTABILITY PLAN  (continued)

Public Review and Input

The Board shall establish the following committee(s) to review and comment on the LCAP: (Education Code 52063)

1. A parent advisory committee including at least one parent/guardian of unduplicated students as defined above

2. An English learner parent advisory committee whenever district enrollment includes at least 15 percent English learners and at least 50 students who are English learners

The Superintendent or designee shall present the LCAP or the annual update to the committee(s) before it is submitted to the Board for adoption, and shall respond in writing to comments received from the committee(s). (Education Code 52062)

The Superintendent or designee shall notify members of the public of the opportunity to submit written comments regarding the specific actions and expenditures proposed to be included in the LCAP or the annual update to the LCAP. The notification shall be provided using the most efficient method of notification possible, which may not necessarily include producing printed notices or sending notices by mail. All written notifications related to the LCAP or the annual update shall be provided in the primary language of parents/guardians when required by Education Code 48985. (Education Code 52062)

The Board shall hold at least one public hearing to solicit the recommendations and comments of members of the public regarding the specific actions and expenditures proposed to be included in the LCAP or the annual update. The public hearing shall be held at the same meeting as the public hearing required prior to the adoption of the district budget in accordance with Education Code 42127 and AR 3100 - Budget. (Education Code 42127, 52062)

Adoption of the Plan

Prior to adopting the district budget, but at the same public meeting, the Board shall adopt the LCAP or the annual update. This meeting shall be held after the public hearing described above, but not on the same day as the hearing. (Education Code 52062)

The Board may adopt revisions to the LCAP at any time during the period in which the plan is in effect, provided the Board follows the process to adopt the LCAP pursuant to Education Code 52062 and the revisions are adopted in a public meeting. (Education Code 52062)

Submission of Plan to County Superintendent of Schools

Not later than five days after adoption of the LCAP or the annual update to the LCAP, the Board shall file the LCAP or the annual update with the County Superintendent of Schools. (Education Code 52070)
LOCAL CONTROL AND ACCOUNTABILITY PLAN (continued)

If the County Superintendent sends, by August 15, a written request for clarification of the contents of the LCAP or the annual update, the Board shall respond in writing within 15 days of the request. If the County Superintendent then submits recommendations for amendments to the LCAP within 15 days of receiving the Board's response, the Board shall consider those recommendations in a public meeting within 15 days of receiving the recommendations. (Education Code 52070)

Monitoring Progress

The Superintendent or designee shall report to the Board, at least annually in accordance with the timeline and indicators established by him/her and the Board, regarding the district's progress toward attaining each goal identified in the LCAP.
